1. Appropriately participating in class. Including completing all assignments and projects.
2. Respecting all adults in words and actions; with full support to the Classical/CM model.
3. Working on weekly program work to the best of my ability.
4. Honoring my peers and other students in the program in words and in actions.
5. Language should honor God with no cursing or coarse language.

\* In the event of a dispute, biblical conflict resolution will be employed, referring to Matthew

18:15-17 and I Corinthians 6:1-8

**I have read and have discussed with my children the GRACE conduct code.** Our family, as members of GRACE, agree to comply with the conduct code anytime we are participating in a GRACE activity.
